Space & Naval Warfare Systems Command Awards Contracts

SAN DIEGO – The Space and Naval Warfare Systems Command will award a team of five contractors cost plus award fee contracts to provide common process service capabilities in project management, engineering services, system test and evaluation, site / platform installation, and integrated logistics support services. Both large and small businesses were invited to team together to compete for the omnibus contract. Under Request for Proposal (RFP) number N00039-99-R-3205, SPAWAR's goal was to award 50 percent of the total value to small business, small disadvantaged businesses, and / or small woman-owned business concerns. The period of performance for the base year is from September 1, 1999 to 30 September 2000. There are four option years which, if exercised, will end on 31 August 2004. The total value for all five contracts if all option years are exercised is \$251,785,403. Contracts will be incrementally funded.
